

How it all started

Green Thumbs began in 2001 with the goal to provide horticultural education to the public, and provide a venue for the promotion of the newest and best plants, products and ideas. The events of the past 7 years have been extremely successful in accomplishing those goals.

We have had numerous sponsors and vendors who have participated in this event all six years, a testimonial to the success of the largest gardening event in Delaware County.

Each Year We Offer:

- An average of over 600 attendees from all over Ohio
- Experts with informative presentations on a variety of topics
- Over 50 garden related vendors and societies with exhibits in the Gardeners' Market at Green Thumbs
- 600 "Freebie" promotional bags distributed at the door
- A huge raffle with garden related items.
- A raffle with over 45 items donated by merchants in the Delaware County area.

Directions to Olentangy Liberty High School:
Approximately 5 miles N of Rt. 1-270 and 7 miles south of Delaware off of St. Rt. 23. Go west on Home Rd. For more information please contact:
OSU Extension office, Delaware County
740-833-2020 or email: kaelber.1@cfaes.osu.edu

The OSU Delaware County Master Gardener Program was started in 1994. Since that time, many individuals have entered the program. The total in 2007 for Delaware County is 110 volunteers.
