

Topics include: winter, food science, health , weather, insects, red, white and boom, plants, outdoor, candy and more!!

K-2 students, are you ready to have fun with science? Join us to become a

Jr. Scientist

- New topics each month
- All activities are completed at home
- Materials can be found around the house or at the dollar store
- Participants will have an opportunity to display their projects at our Science Fair during fair - prizes will be awarded
- Complete 3 activities each month and receive a certificate and be entered to win prizes
- For more information or to register, please contact Robin Stone - stone.363@osu.edu
- Program participants must be in grades K-2

Parents/guardians are responsible for maintaining care, custody, and control of their minor(s) and are responsible for monitoring the activities their child is participating in.
