

Summer Sprout

Cleveland's Community Garden Program

Looking to start a **new** community garden with your neighbors, church, or organization?

The Summer Sprout Community Garden program can help! Gardens enrolled in Summer Sprout are eligible for soil testing, soil amendments, plants, seeds, technical assistance and education.

Existing community gardens interested in expanding may also be eligible! (Pending availability of resources.)

Want to know more? Attend an informational session!

Applications available at
cuyahoga.osu.edu

Application Period:
Opens July 1st
Deadline 5pm July 31st
