

# OHIO STATE UNIVERSITY EXTENSION & CENTRAL STATE UNIVERSITY EXTENSION, FALL URBAN AGRICULTURE WORKSHOPS

Some workshops will be held outdoors, please dress for the weather.

Workshops are open to all, and free unless otherwise noted.

## August

### Quarry Hill Orchard– Farm to School

August 4th 2:00-3:30 p.m.

Quarry Hill Orchard (8403 Mason Road, Berlin Heights)

Tour the farm, learn about how they work with Farm to School, meet the family, and pick your own apples.

\$7, Registration required.

### Reduce-zero Waste

August 29th 4:30-6:00 p.m.

Mustard Seed West (7805 Madison Avenue, Cleveland)

Interested in learning how you can reduce the amount of trash you throw away? Discover simple ways to have an impact while brainstorming with others on how to upcycle items.

## September

### Composting

September 14th 7:00-8:30 p.m.

Rust Belt Riders (5401 Hamilton Avenue, Cleveland)

Join us at Rust Belt Riders to learn about the importance of composting food waste and how to do it! These composting professionals have answers to all of your questions, so be prepared to bring them!

### Aquaponics

September 16th 10:00-3:00 p.m.

Rid-All Green Partnership (8129 Otter Road, Cleveland)

Come out to Rid-All Green Partnership to learn everything you need to know about aquaponics. More details to come.

### Farm the City of Solid Legal Ground

September 20th 4:00-7:00 p.m.

OSU & CSU Extension Office (5320 Stanard Avenue, Cleveland)

Urban farmers seeking to grow or start their businesses face many of the same legal issues as rural growers, while also encountering challenges unique to their urban location. \$15, Registration required call Milo, 614.421.2022 ext. 206. Scholarships available.

### Garden Learning Circle

September 20th 6:00-7:00 p.m.

Collinwood Friends Garden (251 E 156th Street, Cleveland)

Garden Learning Circles are designed to provide a place for gardeners to network and share information. Come tour Collinwood Friends Garden and meet other Cuyahoga Gardeners.

## October

### From Community Garden to Equitable Business

October 18th 5:30-7:00 p.m.

Good Earth Farm (9600 Madison Avenue, Cleveland)

Come meet Jeanette Toms, owner of Good Earth Farm, and get honest answers to all of your questions about making the move from community garden to business.

### Urban Agriculture Trivia

October 26th 6:30-8:30 p.m.

Goldhorn Brewery (1361 E. 55th Street, Cleveland)

Think you know everything about agriculture and local foods in Cuyahoga County? Get a team together or come meet new "foodies" and test your knowledge.

## November

### It Takes Water to Make Food

November 16th 1:00-2:30 p.m.

Watershed Stewardship Center (2277 W Ridgewood Drive, Parma)

Learn more about water consumption for food production and discover ways consumers can reduce their water footprint. Cleveland Metroparks Naturalist, Debra Shankland will take us on a tour of the Stewardship Center and provide more insight as to how to protect our freshwater resources.
